Dog Ordinance

Section 1. May not permit an animal to run at large: "at large" means not effectively restrained by a chain, leash, or cord not more than six feet in length. Section 2. Any person who owns or is responsible for an animal shall, if the animal defecates upon park property, promptly clean up and dispose of the excrement. (For a full version of this ordinance, visit www.bisparks.org.)

Gift Certificates

Consider a Bismarck Parks and Recreation District gift certificate for recreation programs, programs, equipment use, shelter reservations and facility use. They can be purchased at the Parks District Office, Capital Racquet & Fitness Center and golf courses.

Insurance

The Bismarck Parks and Recreation District does not carry medical or accident insurance for the participants of the programs. The cost of doing so would be so high that fees charged for programs would become prohibitive. We suggest you review your family's personal health insurance plan to ensure it provides you with sufficient coverage. We also suggest you check with your family physician before participating in any Bismarck Parks and Recreation District programs which require physical exertion. If your physician should discover some factors that could limit you physically, please consider them when registering for programs.

Matching Grant Program

Bismarck Parks and Recreation District's Matching Grant programs provides matching funds for facility, grounds, and equipment projects. In its 30th year, the program has provided matching funds for 469 projects with total project costs of more than \$4.2 million. Applications will be accepted from Bismarck associations, organizations, clubs or individuals interested in matching funds to sponsor a project in a Bismarck Parks and Recreation District facility or park. Matching funds are awarded twice per year. Applications are available at our office. Call 222-6455 for more information. DEADLINES: Annually, February 1 and June 1 at 5pm.

Photography/Video

The Bismarck Parks and Recreation District takes photographs/video footage of people enjoying our programs, events, parks and facilities. These photographs/video footage are used for Park District publications and informational videos. The photographs/video footage are used at the discretion of the Park District and become the sole property of the Bismarck Parks and Recreation District.

Rain Checks

The Bismarck Parks and Recreation District will grant rain checks for swimming pools, golf courses and picnic shelters whenever inclement weather warrants such action. All rain checks must be used during the season they are received.

Online Registration and Reservations

Visit www.bisparks.org to register for those activities with a code (unless otherwise noted), make a tee time up to three days in advance or reserve a campsite. Visit www.bisparks.org and create a username and password and register for a variety of programs and activities.

Adult Swim Private Lessons

You can put your name on a private lesson waiting list by registering under Code 7671.

The waiting list will hold 30 names. If all 30 spots are full, please feel free to check the list again, as often as you like, to see if there is an opening. A name can only appear once on the waiting list. (In other words, you can't put your name on the list multiple times.)

Here's the process: When an instructor has an opening, we check the waiting list. The Aquatic Specialist will contact you with open dates and times. If your availability is a match for our instructor, you will be enrolled. Specific days/times/months cannot be guaranteed. Payment is required at the time of enrollment. We are not able to keep your name on the waiting list if you are unable to take the lesson schedule that is provided when you are called or if you do not return a call within 24 hours. If the schedule provided doesn't work for you, simply add your name to the waiting list again, if there is space available, and you can start the process again.

Bismarck Forestry Division

The Bismarck Forestry Division manages the trees on City and Park District properties. Bismarck has 15,000+ park trees, 20,000+ street trees, and many more trees standing on golf courses, along recreation trails, and in natural wooded areas. The division assists individuals and organizations planning memorial or dedication plantings and other special tree plantings in public areas. The forestry division organizes Bismarck's annual Arbor Day ceremony each May. Foresters are often invited to discuss tree related issues with civic organizations and in classrooms throughout the city.

Foresters consult with parks and recreation district administrators and planners concerning tree planting projects and activities or changes on park property where trees are involved.

Park trees are pruned on a seven-year rotation prune cycle. Routine inspections of park trees serve to identify hazardous trees and provide a safe environment for park users.

Technical assistance for tree and shrub problems on private property is provided by appointment for a nominal fee.

Wood chips suitable for landscape mulch are available for sale at the City Landfill for \$.02 per pound (minimum charge of \$1). Tree logs suitable for firewood are available for sale at the City Landfill for \$15.00 per ton. To purchase either wood chips or tree logs stop at the Scale House at the City Landfill for instructions.
