

Liberty 4th Grade Basketball 2017 Season

To Parents of Basketball Participants:

Thank you for allowing your child to play basketball this year. I look forward to meeting you the parents and our team. I am extremely excited about helping your child expand their understanding of the game of basketball! As their coach, our first emphasis will be on the fundamentals. I will work with your child to further develop their fundamental skills and hopefully we will have a lot of FUN learning together.

I would ask that each child is respectful. Respectful to me, fellow players, opponents, officials and those who come in contact with throughout the season. I believe it is important to develop an early understanding of sportsmanship and teamwork. My focus is to teach your child how to develop their skills and equip them for Junior High and High School. I hope that you also share this philosophy and will discuss and emphasize these concepts with your children throughout the season.

Practice and Game Schedule

Attached is the practice schedule. The game schedule will be available on the Bismarck Parks and Recreation District website at www.bisparks.org We will also be in need of parent volunteers to assist in running the game clock during home games and keeping the scorebook, if you would be willing to do this at any give game please let me know.

Cancellations

If a cancellation of a practice is necessary, I will do my best to contact you as soon as I learn of the cancellation or change. Please look over the attached roster to make sure that I have a phone number that is best to reach you at. If the number listed is different the what you would like me to use to contact you please let me know your preferred number. Also if school is let out early or cancelled for any reason, such as bad weather, there will be no practice.
