## 5th grade Boys Basketball 2016 season

To Parents of Basketball Participants:

Thank you for allowing your child to play basketball this year. I look forward to meeting with all the parents. I'm very excited about helping your kids expanding their understanding of the game of basketball! As their coach, my first emphasis will be on the fundamentals. I will work with each child to develop skills and hopefully we all have FUN learning together. I would like to ask that each child is respectful and be a team player, be respectful too me, fellow players, and those that may come in contact with throughout the season. My main focus will be on the fundamentals of teamwork and good sportsmanship, teaching your child these skills will only help them moving forward into junior high.
