**Bismarck Municipal Ballpark  
Home of Dakota Community Bank & Trust Field  
303 W. Front Ave.**

This 1,600 seat ballpark is located at the intersection of S. Washington Street and Memorial Highway in central Bismarck. The ballpark is a neighbor to Kiwanis Park, Bismarck Community Gardens and, in the winter, a hockey rink, ice skating rink and warming house. The Bismarck Municipal Ballpark is maintained and operated by Bismarck Parks and Recreation District. In 2011, with gifts from Puklich Chevrolet and a Matching Grant from Bismarck Parks and Recreation to the Bismarck Baseball Boosters, a new infield was constructed at the ballpark. In 2013, a group of baseball enthusiasts started a capital campaign to continue facility improvements. In 2014, \$1.3 million in donations from 231 individuals and 136 businesses helped renovate the Bismarck Municipal Ballpark. Improvements included a new, covered grandstand with stadium seats, a new concessions area, restrooms and press box. Additional improvements include adjustments to the outfield fence, new dugouts and the addition of practice/pre-game warm-up facilities. The upgrades expanded the seating capacity to 1,600 (and, with movable bleachers, up to 2,000 capacity) to allow hosting of major events, a history of the ballpark, and an overall improved baseball and ballpark atmosphere.
