Dog Ordinance
Section 1. May not permit an animal to run at large: “at large” means not effectively restrained by a chain, leash, or cord not more than six feet in length. Section 2. Any person who owns or is responsible for an animal shall, if the animal defecates upon park property, promptly clean up and dispose of the excrement. (For a full version of this ordinance, visit www.bisparks.org.)

Gift Certificates
Consider a Bismarck Parks and Recreation District gift certificate for recreation programs, programs, equipment use, shelter reservations and facility use. They can be purchased at the Parks District Office, Capital Racquet & Fitness Center and golf courses.

Insurance
The Bismarck Parks and Recreation District does not carry medical or accident insurance for the participants of the programs. The cost of doing so would be so high that fees charged for programs would become prohibitive. We suggest you review your family’s personal health insurance plan to ensure it provides you with sufficient coverage. We also suggest you check with your family physician before participating in any Bismarck Parks and Recreation District programs which require physical exertion. If your physician should discover some factors that could limit you physically, please consider them when registering for programs.

Matching Grant Program
Bismarck Parks and Recreation District’s Matching Grant programs provides matching funds for facility, grounds, and equipment projects. In its 32nd year, the program has provided matching funds for 518 projects with total project costs of more than $5 million. Applications will be accepted from Bismarck associations, organizations, clubs or individuals interested in matching funds to sponsor a project in a Bismarck Parks and Recreation District facility or park. Matching funds are awarded twice per year. Applications are available at our office. Call 222-6455 for more information. DEADLINES: Annually, February 1 and June 3 at 5pm.

Photography/Video
The Bismarck Parks and Recreation District takes photographs/video footage of people enjoying our programs, events, parks and facilities. These photographs/video footage are used for Park District publications and informational videos. The photographs/video footage are used at the discretion of the Park District and become the sole property of the Bismarck Parks and Recreation District.

Rain Checks
The Bismarck Parks and Recreation District will grant rain checks for swimming pools, golf courses and picnic shelters whenever inclement weather warrants such action. All rain checks must be used during the season they are received.

Preschool Aquatics (3-5 yrs old)
Throughout the three levels, preschool-age children are taught basic aquatic safety and swimming skills, all the while increasing their comfort level in and around the water. Skills are age-appropriate, helping children achieve success on a regular basis and enjoy social interaction with other children. As in all swimming and water safety courses, your child will always know that it’s safety first.

Preschool A- Orient children to the aquatic environment and helps them gain basic aquatic skills.
• Enter and exit water using ramp, steps, or side. Blow bubbles through mouth and nose. Submerge mouth, nose, and eyes. Open eyes underwater and retrieve submerged objects. Front glide and recover to a vertical position. Back float. Roll from front to back and back to front. Tread with arm and hand actions. Alternating and simultaneous arm and leg actions on front and back. Combined arm and leg actions on front and back. Age appropriate water safety topics.

Preschool B- Helps children gain greater independence in their skills and develop more comfort in and around the water.
• Enter water by stepping in from a deck or low height. Exit water using ladder, steps, or side. Bobbing. Open eyes underwater and retrieve submerged objects. Front float. Back glide and float and recover to a vertical position. Roll from front to back and back to front. Tread water using arm and leg actions. Combined arm and leg actions on front and back. Finning arm action on back. Age appropriate water safety topics.

Preschool C- Helps children start to gain basic swimming propulsive skills to be comfortable in and around the water.
• Enter water by jumping in. Fully submerge and hold breath. Bobbing. Rotary breathing. Front, jellyfish, and tuck floats. Front and back float or glide and recover to a vertical position. Change direction of travel while swimming on front or back. Tread water using arm and leg actions. Combined arm and leg actions on front and back. Finning arm action on back. Age appropriate water safety topics.

Level 5 - Stroke Refinement: Provides further coordination and refinement of strokes.

- Shallow-angle dive from the side then glide and begin a front stroke. Tuck and pike surface dives, submerge completely. Front flip turn and backstroke flip turn while swimming. Front and back crawl, elementary backstroke, breaststroke, sidestroke, and butterfly. Sculling. Age appropriate water safety topics.

Helpful Tips and Reminders:

- Come take a peek. It’s very helpful if you and - especially your preschooler who has never attended lessons before - child come to the pool before lessons start. Take a look at the water and get them familiar with the setting. This mini introduction helps ease some nerves on the first day of lessons.
- Expect some repetition! Based on our experience, some students need additional time to work on skills. We don’t rush students to the next level until they are ready. That would be unsafe, would shortcut their learning and could frustrate them. Sometimes younger students will repeat a level multiple times simply because their bodies are growing in spurts and it takes some time for their strength and coordination to sync up. Trust the process.

Bismarck Forestry Division

The Bismarck Forestry Division manages the trees on City and Park District properties. Bismarck has 15,000+ park trees, 24,000+ street trees, and many more trees standing on golf courses, along recreation trails, and in natural wooded areas. The division assists individuals and organizations planning memorial or dedication plantings and other special tree plantings in public areas. The forestry division organizes Bismarck’s annual Arbor Day ceremony each May. Foresters are often invited to discuss tree-related issues with civic organizations and in classrooms throughout the city.

Foresters consult with parks and recreation district administrators and planners concerning tree planting projects and activities or changes on park property where trees are involved.

Park trees are pruned on a seven-year rotation prune cycle. Routine inspections of park trees serve to identify hazardous trees and provide a safe environment for park users.

The Forestry Division provides private property tree inspections to homeowners in Bismarck for a nominal fee.

Wood chips suitable for landscape mulch are sold at the Bismarck Landfill for $0.02 per pound, when available. There is a minimum charge of $1 for loads less that 50 pounds. Stop at the Scale House at the Bismarck Landfill for instructions. Purchaser must load the chips themselves.

For more information, call the Forestry Division at 701-355-1733 or visit our web page at www.bismarcknd.gov/101/Forestry.

Grievance Policy

Under Title II of the Americans with Disabilities Act

This Grievance Policy is established to meet the requirements of the Americans with Disabilities Act of 1990 (“ADA”). It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the Bismarck Parks and Recreation District. The Bismarck Parks and Recreation District Human Resource Policy and Procedure Handbook governs employment-related complaints of disability discrimination.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint will be made available for persons with disabilities, upon request.

The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 60 calendar days after the alleged violation to:

RaNae Jochim, Bismarck Parks and Recreation District
400 East Front Avenue, Bismarck, North Dakota 58504

Within 15 calendar days after receipt of the complaint, the ADA Coordinator or his/her designee will respond to the complainant to discuss the complaint and the possible resolutions. Within 15 calendar days of the discussion, the ADA Coordinator or his/her designee will respond in writing and where appropriate, in a format accessible to the complainant, such as large print, Braille, or audio tape. The response will explain the position of the Bismarck Parks and Recreation District and offer options for substantive resolution of the complaint.

An investigation, as may be appropriate, shall follow a filing of grievance. The investigation will be conducted by the ADA Coordinator or his/her representative(s).

If the response by the ADA Coordinator or his/her designee does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 15 calendar days after receipt of the response to the Bismarck Parks and Recreation District Executive Director or his/her designee. Within 15 calendar days after receipt of the appeal, the Executive Director or his/her designee will meet with the complainant to discuss the complaint and possible resolutions. A Compliance Review committee consisting of the Bismarck Parks and Recreation District’s Executive Director, Park Board President and Legal Counsel shall issue its decision within 15 (fifteen) days after the filing of the request for reconsideration.

All written complaints received by the ADA Coordinator or his/her designee, appeals to the Executive Director or his/her designee, and responses from these two offices will be retained by the Park District for at least three years. The right of a person to a prompt and equitable resolution of the grievance filed shall not be impaired by the person’s pursuit of other remedies such as the filing of an ADA grievance with the Department of Justice. Use of this grievance policy is not a prerequisite to the pursuit of other remedies.

These rules shall be construed to protect the substantive rights of interested persons to meet appropriate due process standards and to assure that Bismarck Parks and Recreation District complies with the ADA and implementing regulations.
