### Insurance

The Bismarck Parks and Recreation District does not carry medical or accident insurance for the participants of the programs. We suggest you review your family's personal health insurance plan to ensure it provides you with sufficient coverage. We also suggest you check with your family physician before participating in any Bismarck Parks and Recreation District programs which require physical exertion. If your physician should discover some factors that could limit you physically, please consider them when registering for programs.

### Matching Grant Program

Bismarck Parks and Recreation District's Matching Grant programs provides matching funds for facility, grounds, and equipment projects. In its 33rd year, the program has provided matching funds for 530 projects with total project costs of more than \$5.1 million. Applications will be accepted from Bismarck associations, organizations, clubs or individuals interested in matching funds to sponsor a project in a Bismarck Parks and Recreation District facility or park. Matching funds are awarded twice per year. Applications are available at our office. Call 222-6455 for more information. DEADLINES: Annually, February 1 and June 1 at 5pm.

### Photography/Video

The Bismarck Parks and Recreation District takes photographs/video footage of people enjoying our programs, events, parks and facilities. ## Helpful Tips and Reminders:

- Come take a peek. It's very helpful if you and-especially your preschooler who has never attended lessons before-child come to the pool before lessons start. Take a look at the water and get them familiar with the setting. This mini introduction helps ease some nerves on the first day of lessons.
- Expect some repetition! Based on our experience, some students need additional time to work on skills. We don't rush students to the next level until they are ready. That would be unsafe, would shortcut their learning and could frustrate them. Sometimes younger students will repeat a level multiple times simply because their bodies are growing in spurts and it takes some time for their strength and coordination to sync up. Trust the process.

The Bismarck Forestry Division manages the trees on City and Park District properties. Bismarck has 15,000+ park trees, 24,000+ street trees, and many more trees standing on golf courses, along recreation trails, and in natural wooded areas. The division assists individuals and organizations planning memorial or dedication plantings and other special tree plantings in public areas. The forestry division organizes Bismarck's annual Arbor Day ceremony each May. Foresters are often invited to discuss tree related issues with civic organizations and in classrooms throughout the city.

Foresters consult with parks and recreation district administrators and planners concerning tree planting projects and activities or changes on park property where trees are involved.

Park trees are pruned on a seven-year rotation prune cycle. Routine inspections of park trees serve to identify hazardous trees and provide a safe environment for park users.

The Forestry Division provides private property tree inspections to homeowners in Bismarck for a nominal fee.

Wood chips suitable for landscape mulch are sold at the Bismarck Landfill for \$0.02 per pound, when available. There is a minimum charge of \$1 for loads less than 50 pounds. Stop at the Scale House at the Bismarck Landfill for instructions. Purchaser must load the chips themselves.
