

Let's Play!

2020 Summer Youth Basketball Season

To Parents of Basketball Participants:

Thank you for allowing your child to play basketball this summer. We look forward to meeting you, the parents, and our players. We are extremely excited about helping your child expand his/her understanding of the game of basketball! As their coach, our first emphasis will be on fundamentals. We will work with your child to further develop their fundamental skills and hopefully we will have a lot of FUN learning together.

We would ask that each child is respectful. Respectful to us, fellow players, opponents, and those they come in contact with throughout the season. We believe it is important to develop an early understanding of sportsmanship and teamwork. Our focus is to teach your child how to develop their skills and have fun playing the game of basketball. We hope that you also share this philosophy and will discuss and emphasize these concepts with your child throughout the summer.

Practices and Games

We will practice for the first half of each session and scrimmage game for the last half of each session followed by a review. After June 4, participants should bring the red summer basketball shirt and non-red color shirt for games to each session. As pennies will not be used due to COVID-19. Teams will be made each night and they will be determined by how many players show up each night, games could consist of 5v5, 4v4, 3v3, ect.

No basketball on Thursday, July 2.

Coach Information

Coaches: Andrea Beckler, Easton Hinnenkamp, Derek Myers, and Cadee Ryckman.

Sincerely,

Bismarck Parks and Recreation District Staff
