

Bismarck Parks and Recreation District Administration Division

DATE: July 10, 2026

TO: Commissioners Gilbertson, Hanson, Herzog, Redmann and Vice President Jeske

FROM: Dave Leker, Executive Director

SUBJECT: Consideration of Municipal Ballpark Netting Bids

Brett Donat from EAPC will review the bid received for the Municipal Ballpark netting project. Staff concur with the recommendation to reject the bid, and request authorization to re-evaluation the project.

Proposed motion: I move to reject the bid received from Park and Play USA for the netting project and authorize staff to re-evaluate the project.

July 10, 2026

Dave Leker
Executive Director
Bismarck Parks and Recreation District
400 East Front Ave
Bismarck, ND 58504

Subj: Bid Summary

Re: Municipal Ballpark Netting

Dear Dave:

A bid for the added Ballpark Netting at the Municipal ballpark was received July 8, 2026 at 1:30 pm. The project was advertised twice in the Bismarck Tribune with the advertisement running June 2nd, and June 9th, 2025. Construction costs were requested for a base bid from Contractors for supplying and installing the netting, poles, and various other products to complete the project. There was one alternate in the project for black vinyl galvanized fencing in lieu of safety netting.

The scope of work included a new line of safety netting starting on new 25' high poles slung down to the new extended 10' high safety netting along the 3rd base line composite board fence.

The Architect's Opinion of Probable Cost for the Base Bid was: \$95,000

There were 3 potential bidders

1 bid was received.

- Park & Play USA out of Fargo was the only bidder with a bid of \$186,425.00. and a price for Alternate #1 of \$7,270 and 5 extra days.

We recommend rejecting the bid.

If you have any questions, please contact the office of EAPC.

Sincerely,

Brett Donat, AIA
Principal I Western Region Manager
