Dear Mr. Leker:

The bids have been reviewed for the Pool Timing System Replacement at the BSC Aquatic and Wellness Center and are summarized on the attached Bid Tabulation. The low construction bid received for the required base bid scope of work was from Edling Electric Inc. in the amount of:

Base Bid:	\$168,080.00
Alternate Bid 1: (On-site training during live event)	\$3,700.00
Alternate Bid 2: (Spare control console)	\$6,800.00

Apex has reviewed the bids received. We recommend that the Bismarck Parks and Recreation District award this project to Edling Electric Inc. for the Base Bid and Alternate Bid 1 (only) in the combined amount of **\$171,780.00**.

The low bid is over the engineer's preliminary project budget estimate of \$150,00.00. If you have any questions regarding this matter, please feel free to call me at 701-323-3961.

Sincerely,
