

BECEP PRESCHOOL PLAY TIME GUIDELINES

1. Parents must stay with their child and are responsible for supervising their children at all times during Preschool Play Time. Children are not allowed to participate in Preschool Play Time without parental supervision.

3. If older children (elementary age) are present as part of the preschooler's family, they will be expected to "play safe" and if appropriate, encouraged /guided to engage with the younger children as caring helpers. Alternative safe activities will be made available for older children if possible. Please check with the Gym Supervisor.
4. For older children, please check the other schools that have Open Gym programs. Go to www.bisparks.org for a schedule of Open Gym locations and times.
