Scholarship Application

The Bismarck Parks and Recreation District (BPRD) is committed to making all programs, facilities, services and activities accessible to everyone, and does not want to deny any participant access to activities due to their inability to pay.

BPRD offers a scholarship program that will absorb some of the costs of programs and memberships. Please fill out the information in this brochure to start this process. BPRD asks that parents/guardians make every effort to have your children attend the programs you register for. Many programs reach capacity and BPRD wants to provide recreational opportunities for all.
