

2023 Sponsorship Opportunity

BisParks BCycle is Bismarck's new bike share program. It offers residents and visitors the opportunity to rent a bike to explore our community with stations located at Sertoma Park, Pioneer Park, BSC Aquatic & Wellness Center, and Peace Park. Riders can explore all that Bismarck has to offer, including its extensive multi-use trail system. BisParks BCycle is fun and easy to use.

2023 Bike Sponsorship

Sponsoring a bike is a great opportunity to promote your brand both at the stations and while bikes move around our community. As a bonus, your support increases our community health and well-being by providing an opportunity for people to be active and enjoy the outdoors. Grow your business and benefit the community by sponsoring a BCycle bike during the 2023 season!

A \$500 annual bike sponsorship includes your company's logo on the two rear wheel splashguards, the front basket and the handlebar triangle decal, along with recognition on the BPRD website at www.bisparks.org.

Fifty (50) sponsorships are available on a first-come, first-served basis with the opportunity for renewal on an annual basis.

Contact Dana Schaar Jahner at 701-221-3387 for more details.
