Guidelines For Playground or Pool Birthday Parties at BSC Aquatic & Wellness Center

Happy Birthday!

Here are a few guidelines for you as you prepare for a wonderful party for the birthday child and guests.

- Your Birthday Party Package includes two hours in the Puklich Community Room. You will receive 10 passes for swimmers (children or adults) and four passes for non-swimmers (children or adults) for a total of 14 people in attendance. This is to comply with the room's capacity and ND Smart Restart Guidelines at this time. We appreciate your understanding.
- There is a 72-hour cancellation policy.
- You can decorate the Puklich Community Room as you wish and bring in whatever food and drinks you would like. Please note that no alcoholic beverages or red liquids are allowed. Please note there are no refrigerators on site for your use.
- You can have access to the Puklich Community Room 15 minutes ahead of time to decorate and get set up for your party.
- Anyone under the age of 8 or in a lifejacket needs to have an adult (16-years or older) in the water! We have a one adult per five children ratio requirement. These adults do not count toward your 10 passes.
- We only allow US Coast Guard approved lifejackets and swim aids, but you must bring your own. We do not have any additional lifejackets on site for the public to use.
- No one under the age of 6 is allowed on the WIBITS.
- We will swim test everyone (even adults) before they can play on the WIBITS. We do allow lifejackets on the WIBITS.
- You can bring in smaller pool toys. (Examples: Fun noodles, beach balls, footballs, squirt guns, dive rings, etc.) NO inflatable tubes or rafts.
- Please check out our complete list of pool rules at www.bisparks.org.

COVID-19 Precautions

- Please know your Puklich Community Room will be cleaned and sanitized before your arrival.
- Thank you for complying with the ND Smart Restart Guidelines room capacity requirements.
