

Happy Birthday!

Here are a few guidelines for you as you prepare for a wonderful party for the birthday child and guests at BSC Aquatic & Wellness Center.

- Cancellation requests must be made at least 48 hours in advance to be considered for a refund, less a \$5 cancellation fee.
- You can decorate the room as you wish and bring in whatever food and drinks you would like, although no alcoholic beverages or red liquids are allowed (no refrigerators).
- You can access the room 15 minutes ahead of time to decorate and set up.
- Anyone under age 8 or in a lifejacket must have an adult (age 16+) in the water. There is a one adult to five children ratio requirement.
- Only U.S. Coast Guard approved lifejackets are allowed, but you must bring your own.
- Children under age 6 are not allowed on the Wibits.
- Everyone using the Wibits, including adults, must pass a swim test. Lifejackets are allowed on the Wibits.
- You can bring smaller pool toys but NO inflatable tubes or rafts (examples: fun noodles, beach balls, footballs, squirt guns, dive rings, etc.).
- Please review the complete list of pool rules at www.BisParks.org.
