

4th & 5th Grade Boys Basketball

To parents of this years players:

Thank you for allowing your child to play basketball this year. I am looking forward to meeting you the parents and my team. I am extremely excited about helping your child expand their understanding of the game of basketball! As their coach, my first emphasis will be on fundamentals. I will be working with your child to further develop their skills and hopefully we will have a lot of fun learning together as well.

I will ask that each child is respectful; respectful to me, fellow players, opponents, officials, and those they come in contact with throughout the season. I will be having closed practices, which means i will ask there will be no watching during your child's learning time. I believe it is important to develop an early understanding of sportsmanship and teamwork. My focus is to teach your child how to develop their skills and equip them for junior high and high school. I hope that you also share this philosophy and will discuss and emphasize these concepts with your children throughout the season.

Practice and Game Schedule

Attached is the practice schedule. All the practices will be at the Grimsrud Elementary School. The game schedule will be available on the Bismarck Parks and Recreation District website at www.bisparks.org I will also be in need of parent volunteers to assist in running the game clock during home games, if you would be willing to do this at any given game please let me know.

Cancellations

If a cancellation of a practice is necessary, I will do my best to contact you as soon as I learn of the cancellation or change. Please look over the attached roster to make sure that I have a phone number that is best to reach you at. If the number listed is different than what you would like me to use to contact you please let me know your preferred number. Also if school is let out early or cancelled for any reason, such as bad weather, there will be no practice.
