

5th Grade Shiloh Girls' Basketball 2018 Season

To Parents of Girls' Basketball Participants:

Thank you for allowing your child to play basketball this year. We look forward to meeting you, the parents, and our team. We are extremely excited about helping your child expand his/her understanding of the game of basketball! As their coach, our first emphasis will be on fundamentals. We will work with your child to further develop their fundamental skills and hopefully we will have a lot of FUN learning together.

We would ask that each child is respectful. Respectful to us, fellow players, opponents, officials, and those they come in contact with throughout the season. We believe it is important to develop an early understanding of sportsmanship and teamwork. Our focus is to teach your child how to develop their skills and have fun playing the game of basketball. I hope that you also share this philosophy and will discuss and emphasize these concepts with your child throughout the season.

Practice and Game Schedule

Practices will be on **Tuesday and Wednesday 5-6pm at the WWM Building**. The game schedule will be available on the Bismarck Parks and Recreation District website at www.bisparks.org. We will also be in need of parent volunteers to assist in running the game clock during home games, setting up, and putting chairs away for home games. If you would be willing to do this at any game please let us know.

Cancellations

If a cancellation of a practice is necessary, I will do my best to contact you as soon as I learn of the cancellation or change. Please look over the attached roster to make sure that I have a phone number that is best to reach you at. If the number listed is different then what you would like me to use to contact you please let me know your preferred number. Also if school is let out early or canceled for any reason, such as bad weather, there will be no practice.
