4th Grade Girls Basketball 2018 Season (Sunrise)

Dear Parents,

Thank you for allowing your child to play basketball this season. I look forward to helping your daughter grow as a basketball player and can't wait to watch her improve her skills this season. The emphasis of this program is fundamentals. We will focus on developing fundamental skills and have a lot of fun learning together.

I ask that all players that represent our school be respectful to each other, to the coaches, to opponents, officials, and all other people they come in contact with throughout the season. It is important to develop an understanding of and practice good sportsmanship and teamwork. Every member of our team is important and I want everyone to have opportunities to work on their skills during practices and games. Playing time will be equal for all girls. You don't get better if you're limited in your opportunities to work on things. Although I want to be competitive, winning will not be the thing we focus on.

Sunrise will have two 4th grade teams due to the number of girls registered. I will divide teams up and let you know which team your daughter is on before our first scheduled game. I will do my best to divide the two teams up as equally as possible.

Practice and Game Schedule

Attached is the practice schedule. We will consistently have practice on Mondays from 5-6 PM at Sunrise. There are two dates that had schedule conflicts so please note that during the week of September 24th (no school on the 24th) we practice on Tuesday, September 25 from 4-5 PM. Also, on Monday, October 15th practice will be from 4-5 PM. I ask that all girls attend every practice they can. I do understand that things come up, so please let me know if your daughter will not be attending a practice.

Game schedules will be handed out at next week's practice. Games are scheduled to on Saturdays each week. Game times could range from 8 AM to 4 PM.

Cancellations

If a cancellation of a game or a practice is necessary, I will contact you by phone to let you know of the cancellation or change. Cancellations or changes to the schedule should not occur and if it does, it would be due to an unforeseen circumstance.

Please let me know if you have any questions or concerns!
